**Fingerprint Authorization Form**

**Instructions**

Licensure applicants may be fingerprinted at any law enforcement agency including those in U.S. territories, foreign countries, and rural Nevada. When you go to the agency to be fingerprinted, you must provide two (2) forms of legal identification (i.e., passport, driver's license, birth certificate, Social Security card, etc.). Most agencies charge a fee for fingerprinting, but it is best to call ahead to confirm the location's address, fees, and any special requirements. Use the link below for current Nevada locations where fingerprinting can be obtained.

<http://www.nvrepository.state.nv.us/fingerprints.shtml>

After you have been fingerprinted at the agency, you will be issued one (1) standard blue and white fingerprint card (Form FD-258). Make sure that all information is completed on your card before you leave the agency.

- ✓ Please make sure that all personal information including name, address, citizenship, social security number, sex, race, height and weight, eye and hair color, date and place of birth are typed or printed legibly in **black ink** on the fingerprint card.
- ✓ Your signature is required on your card.
- ✓ Your fingerprint card must also reflect the date the fingerprints were taken and the signature/signature stamp of the official taking the prints. Fingerprint cards over 6 months old are unacceptable.
- ✓ Please do not fold your fingerprint card, for it cannot be processed after it has been folded.
